Trivia (during the original Zoom show before it was edited for public broadcast):

The soundtrack to “The Goonies” is playing as people arrive.

A Test Card is displayed that reads “We’ll Be With You At 8pm” with the puppet version of the test card image.

A virtual rollercoaster video starts at the 5 minute countdown... there is a Doonican TV logo above the Dooni version of the Ramones seal. The music that accompanies the video is from Rocky IV.

Ringo says if he was in a crime fighting duo with Gordon (The Crotchet Kid) he would be Cider Man. (That’s probably spelt with an “S” knowing Ringo!)

The QR code for a special prize at the end of the show redirected viewers to a video of “Never Gonna Give You Up” by Rick Astley on YouTube....everyone got Rick-Rolled!

Trivia (during the public broadcast edit):

The opening video of Scott & Frog performing “Together We’ll Be Okay” which opened the Zoom episode was not included in the public broadcast.

During Ringo’s Treasure Hunt stills are shown of the audience on Zoom showing their “treasure”.

There is a short Barnsley Bob Ross appearance after the final Test Card.

Quotes (original Zoom broadcast):

“It’s like taking a register”

“We’ve really missed seeing people, this is really nice”

“I’m looking a bit of a twat”

Quotes (both original broadcast and public edit):

“What’s that, is it a Beaver? That’s probably illegal”

“I’m not doing numbers, for obvious reasons” (Percy)

“That’s an amazing erection” (Percy about LEGO Scott)

“I’m not on mute, I’ve sorted it”

“Just a show of hands who thought they were going to the moon on Space X?”

“I said clock”

“The standard of moustaches is ok but the men are letting us down”

“There’s two of them now, they’re multiplying, it’s like the chills” (Morris)

Trivia :

The Marcel Cousteau Alexa inspiration is explained.

Scott explains part of the inspiration of the lyrics in “Far Far Away” when he played a gig atop of Ingleborough mountain with his Uncle Bill in Sounddriver.

Amanda unsuccessfully tries to get Alexa to play a train noise during “More Than Words”.

Two covers were turned down as collaborations, one a Celine Dion song and one by Neil Young.

Scott talks about upcoming festivals and states that he would normally be the “huggiest person” but for now he will be cautious and would like some space.

There will be one BNI a month for the next few months as well as Xmas Day and New Years Eve in December.
